

Taconic Hills Middle School 8th Grade Supply List

Dear Students,

The 8th grade team of teachers is looking forward to seeing you this September for a great school year! There are a few supplies you will need to bring with you to help keep you organized.

Colors were an important part of your 7th grade supply list. We try to use the same colors in 8th grade so you can stay organized more easily. Enjoy the rest of your summer and see you soon!

Things You Will Need:

- 1 or 1 ½ in. Red Binder (For English)
- 1 or 1 ½ in. Blue Binder (For Social Studies)
- 1 or 1 ½ in. White Binder (For Math)
- 1 or 1 ½ in. Green Binder (For Science)
- 1 of 1 ½ in. Purple Binder (For French or Spanish)
- 1 Black Folder for nightly homework
- 2 packages of five dividers
- 1 package of loose-leaf paper
- Pencils

Things That Could Be Helpful **BUT ARE NOT MANDATORY:**

- Colored Pencils
- Pencil Pouch
- Scissors
- Ruler
- Glue Stick
- Scientific Calculator (not necessary for geometry students)

***Accelerated Geometry Students Only: Most 8th graders will be taking 8th grade math, a small group that have already attended a previous meeting will be taking geometry.

- TI-Nspire CX (There are a limited number that can be borrowed from the school for home use - they will be issued on a first come, first serve basis. We highly recommend that accelerated students purchase their own as they will get a lot of use throughout high school.)
- Compass & Protractor (optional but helpful)
